*Taking the increasingly worrying Covid situation into consideration, Masses in the parish at this time are intended for parishioners only – those who reside within the confines of the parish. I appreciate that this may be disappointing for some families, especially in the case of the celebration Month's Mind and Anniversary Masses, but the safety of everyone is paramount, and your co-operation in this recommendation is greatly appreciated. Fr Paul.*

**THANK YOU** for your generosity in last week's collection, which amounted to £1,775. Envelopes can continue to be left through the door of the Parochial House, for those not attending Mass. **Sincere thanks** also for donation of £500 this week towards the heating project in Castlederg. **DAY FOR LIFE** is celebrated in the Catholic Church today. It is a day specially dedicated to celebrating and upholding the dignity of human life, from conception to natural death. Pope Francis has chosen the simple theme, "**Choose Life**" this year, with focus on the protection of mothers and unborn children, and the need to bring hope and healing after abortion. The Pope has communicated his hope that the current pandemic may stir in us a renewed care for the most vulnerable and a greater appreciation of the moral imperative to build a 'culture of life'. He appeals for prayers that "minds and hearts may be opened to the sheer gift and wonder of every new life in the womb and thank those who work ceaselessly to protect this life more fully by legislation." Pope Francis also draws attention to the hope and healing that can be experienced following the trauma of abortion. Visit [www.dayforlife.org](http://www.dayforlife.org) for resources. The Holy Father's Pastoral Message for Day for Life can be viewed on [www.catholicbishops.ie](http://www.catholicbishops.ie).

## OCTOBER - MONTH OF MISSION

October is a month when we are asked to pledge special support, prayerful and financial, to the missions in developing countries. Mission Sunday will be celebrated on 18 October. We tend to think of missionaries as priests and Religious who work abroad, in developing countries. Indeed, most of us will know someone whom we would describe as a 'missionary.' Over the years, many people from Ireland, including many from this locality, have been called to serve in the Church's missionary work abroad, where they proclaim the Gospel and support the development and growth of young churches. This month is an opportune time to pray in thanksgiving for them and for their great work. Missionary work, however, is not confined to developing countries or, indeed, to other people. By virtue of our baptism, all of us are called to be missionaries - in our homes, our families, our neighbourhood, places of work, church and parish. Our missionary work is carried out through the opportunities of our daily lives - through caring for and supporting each other, through kindly deeds, generosity and justice. In short, our missionary call asks us to build God's kingdom by bringing Christ and the virtues of the Gospel to all we encounter, sharing the great gift of faith that we have been given. Our call is very much reflected in this year's theme for Mission Sunday: **"Together we can do more"**. Please take time during this Month of Mission to visit:

### SEASON OF CREATION: 1 September - 4 October 2020 Theme: Cultivating Hope

Fittingly, the Season of Creation concludes on this Feast Day of St Francis of Assisi, patron saint of the environment and animals. Francis' devotion to God was expressed through his love for all of His creation. Reforming himself by repenting of his pride and materialism, and surrendering his whole life to the providence, will and purpose of God, Francis publicly lived in radical detachment from the goods of the world. He cared for the poor and sick, he embraced poverty and simplicity of life. Rather than 'coming to Christ out of love for the poor', Francis is known to have 'come to the poor out of love for Christ'. We are told that, such was his love and awe of all God's creation, he preached sermons to the animals and birds and praised all creatures as brothers and sisters under God. Francis redefined authority, away from power and towards service; he put into action Christ's command to "love one another".

Blessed in our parish to have the only church in our diocese dedicated to St Francis of Assisi, we pray his prayer:

Lord, make me an instrument of Your peace.

Where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith;  
where there is despair, hope; where there is darkness, light, where there is sadness, joy:

O, Divine Master, grant that I may not so much seek to be consoled as to console;  
to be understood as to understand; to be loved as to love:

For it is in giving that we receive; it is in pardoning that we are pardoned;  
it is in dying that we are born to eternal life.

**OCTOBER** is a month of special devotion to Our Lady and, in particular, to praying the Rosary. The Rosary invites us to reflect on the great mysteries of the life, death and resurrection of Jesus, whose Mother, Mary, said 'Yes' to God's will and, in so doing, became a model in faith for all of us. You are encouraged to make special effort to recite the Family Rosary in your homes during this month. Parents, in particular, are encouraged to teach and pray the Rosary, or a decade of the Rosary, with their children. *Our Lady of the Rosary, pray for us.*
