**SUNDAY 13 SEPTEMBER 2020**

**TWENTY-FOURTH SUNDAY ORDINARY TIME (YEAR A)**

**THE PARABLE OF THE UNMERCIFUL SERVANT (Matthew 18:21-35)**

Jesus' teaching on mercy and forgiveness through the *Parable of the Unmerciful Servant* conveys a stark message which tells us that, when it comes to showing mercy and forgiveness towards others, it is not about 'picking and choosing' or about setting limits beyond which we will not move. When we do that, we are missing the point of Christian living. In the Lord's Prayer, which Jesus left us, He said, *'forgive us our trespasses as we forgive those who trespass against us.'* We pray the Lord's Prayer today for ourselves and for others, that we will always be humble enough to open our hearts to the guidance of the Holy Spirit, to help us to experience the transforming power of forgiving, of reconciliation and of God's loving and merciful ways. *Our Father, who art in heaven .....*

If numbers are greater than 12 then we shall select by lottery.*

**SEASON OF CREATION: 1 September - 4 October 2020 Theme: Cultivating Hope**

"In some ways, the current pandemic has led us to rediscover simpler and sustainable lifestyles. The crisis, in a sense, has given us a chance to develop new ways of living. Already we can see how the earth can recover if we allow it to rest: the air becomes cleaner, the waters clearer, and animals have returned to many places from where they had previously disappeared. The pandemic has brought us to a crossroads. We must use this decisive moment to end our superfluous and destructive goals and activities, and to cultivate values, connections and activities that are life-giving. We must examine our habits of energy usage, consumption, transportation, and diet. We must eliminate the superfluous and destructive aspects of our economies, and nurture life-giving ways to trade, produce, and transport goods." *Excerpt from the Message of Pope Francis' Message for World Day of Prayer for the Care of Creation.*

**ROUTINE PASTORAL VISITATION OF THE SICK AND HOUSEBOUND**

Those who are visited as part of the "First Friday" Visitation of the Sick and Housebound will know that, since the start of the COVID-19 lockdown, this has not taken place. Earlier this month, Bishop McKeown issued the following guidelines to the priests of the diocese, in respect of the **routine** monthly visitation, for the coming months. See excerpt below:

*"I have concluded that the routine visitation of the sick and housebound should not take place, at the moment, due to the following factors:*

- 1. The sick and housebound are disproportionately elderly, a group which is especially vulnerable to serious COVID-19 infection; this group is also more likely to have significant comorbidities, which may also make them more susceptible;*
- 2. Routine visitation involves moving from one house to another, which risks infection being spread to multiple households;*
- 3. Daily infection rates, both north and south, are trending upwards, after the relatively low number of infections during the summer."*

As many parishioners already know, I am very happy to make home visits to parishioners who are seriously ill. I am also visiting the housebound on a more 'casual basis', calling at one house each day whenever possible. It goes without saying that I make hygiene and safety my number one priority. I fully endorse the guidelines and factors as stated by the bishop (above) at this time. As such, I will not be doing the routine house-to-house calls for the time being.

**However, please do not hesitate to ask me to call if you have reason to be concerned.**

**HOSPITAL VISITATION**

In a separate communication, Bishop McKeown advised the priests of the diocese last week that parish clergy may **not** visit WHSCT hospitals or care homes during the current crisis. Bishop McKeown writes:

*"Hospital chaplains are permitted to visit patients, when called in emergency, wearing PPE, in the use of which they have been trained, and can visit patients in a more 'routine' manner, wearing scrubs and appropriate levels of PPE. The hospital is not open to routine visits by non-chaplain clergy. Whilst this may be a limitation on usual pastoral practice, given the increase in COVID-19 cases in recent weeks it is an understandable limitation, with the risk of unwittingly bringing infection to patients who may not be able to fight it off. I understand that the same restrictions apply to Waterside Hospital, the Omagh hospitals and to other Trust-run properties."*

While hospital visitation cannot take place at this time, I would, nonetheless, be glad to know if a parishioner is in hospital so that I can remember them in prayer and at Mass.

These ongoing restrictions are regrettable, but are in place for the safety and wellbeing of everyone. I am grateful for your understanding as we continue to embrace these challenging times. Please do get in touch with me if there is anything I can do for your or for your families.

*Please keep the sick and housebound, and all who are feeling lonely, isolated or anxious in your prayer.*

**Our Lady of Lourdes, pray for us. St Bernadette, pray for us**
